

## Basic Bloodline Cleanse Instructions

Our team consists of (1) **Administrator**, a team of **Seers** (1 - 3), and **You**. The roles of everyone are clearly delineated for this activation.

**Administrator:** The designated individual that will lead you through the cleansing. This is the person that seeks for interpretation and instruction of all that Holy Spirit reveals through the seers and/or you.

**Seers:** The designated individual(s) that seeks, sees and hears in the realm in the spirit for the problematic areas and causes. The seer(s) will typically be allowed to see a picture, hear a word or get an impression of the activity in the spirit realm.

**You:** The primary task that you will perform is repentance for your bloodlines. Part of your preparation is to repent in general *before* your appointment. Make it your job and responsibility to stir up your faith and follow the instructions you are given.

It is good to know the names of your grandparents on both sides of the family when possible. It is also good to reveal if you have more than one set of grandparents (second marriages, etc.) and to know those names as well. If you don't, that's fine, but it can be helpful.

You do NOT have to go digging into all the family history or scandals, it is not necessary to air all the dirty laundry. We will be led to confront a specific area during our time together. Holy Spirit knows EXACTLY where He wants to lead us, and that is the only place that we will go.

This is all by faith and by direction of Holy Spirit. He leads and guides us. We ask, and keep asking.

We will close all existing portals/doorways/gateways that we know about. These are the areas where we have regularly accessed demonic trades and technology.

We go through only one Door – Yeshua (John 10:7 – *“I Am the Door of the sheep.”*; John 10:9 – *“I Am the Door: by Me if any man enter in, he shall be saved, and shall go in and out, and find pasture.”*)

We will establish an atmosphere charged with the Blood of Jesus (faith, love, willingness and obedience).

This is just a brief overview about how bloodline cleansing works. There are other elements that will be covered separately pertaining to the Courts of Heaven, contracts, covenants, blood altars, and more.

Release your faith and rejoice. *You will* be changed.
